

Adventure Cycling Association

Adventure Cycling Association is a national, member-supported, non-profit bicycling organization. Our mission is to inspire and empower people to travel by bicycle.

The Adventure Cycling Route network encompasses over 45,000 miles of bicycle route maps. These easy-to-read maps provide information on riding conditions, services, weather, and local history. For a full listing of all the routes, visit our website: www.adventurecycling.org/routes.

Member benefits include: 1 issue of Adventure Cyclist magazine and many online resources, guided tours, and discounts on maps. Member support also enables us to advocate for better bike-travel conditions throughout North America.
